Hi Darin,

I spoke with Christina in our office, who explained that these are lamppost signs and not sidewalk inlays. In that case I think they can be reviewed as a kind of sign. Would you be able to attend the board meeting next week on April 12th? Meetings are at 7:00 pm at the church on Hobart. You would need to bring six copies of the design and material specs.

Hi Ariane,

My name is Darin French and I am the Program Manager for the Byzantine Latino Quarter Business Improvement District that runs along Pico Blvd from the 110 Freeway to Western Ave. I am currently working on a project to install decorative medallions on light poles on Pico Blvd that represent the BID and wanted to find out the process of review.

I have been in touch with Council District 10 and have received support from the Harvard Heights Neighborhood Association and the West Normandie Heights Neighborhood Association. There would possibly be between 5 to 8 medallions installed in the section that makes up the Harvard Heights HPOZ.

I appreciate any assistance you can give me in this process.
